WELCOME TO GGE

Welcome to **GGE** – Gulf Green Eye Est. – where excellence in engineering and project management is our hallmark. We are dedicated to delivering high-quality solutions that meet the unique needs of our clients. Our approach to every project is thorough, systematic, and driven by a commitment to excellence.

WHY GGE?

- Vast MEP, cladding & construction industry experience
- Structured & professional management system
- Quality work output as per requirement
- Experienced & qualified engineers, staff and technicians
- On-time project completion
- We are committed to being straightforward and fair with our clients & ensure client satisfaction
- GGE offers a complete range of MEP services including Design, Build, Installation & Maintenance for Commercial, Industrial & Residential projects
- Specialist capability in **cladding & façade systems** — supply, fabrication and installation
- Building construction and electrical contracting delivered under one accountable contractor

Mohammed Meraj Ali, Construction Project Manager

OUR PROJECT APPROACH

From the first requirement to long-term maintenance, every GGE project follows the same structured path.

01

Requirement Analysis

We analyse the requirements of each project to understand our clients' needs and objectives and deliver tailored solutions.

02

Design & Build

Our engineers design and build efficient and reliable solutions – functional, sustainable and cost-effective.

03

Procurement

We procure materials from trusted suppliers, with a transparent process focused on quality and durability.

04

Approvals

We handle all necessary approvals from relevant authorities, in line with local and international standards.

05

Installations

Our technicians and engineers install with precision and care, following strict safety and quality procedures.

06

Testing & Commissioning

Every system and component is tested and commissioned against the specified requirements before handover.

07

Delivering Projects

Full project management to deliver on time and within budget, from start to finish.

08

Maintenance

Ongoing maintenance and support after handover for long life and steady performance.

MECHANICAL SERVICES

- Heating, Ventilation & Air Conditioning (HVAC) systems
- All types of air conditioning systems (centralized)
- Wall-mounted, split system, CC, ducted
- Chilled water systems, chiller plants, cooling towers, FAU, AHU, FCU
- Refrigeration and low-temperature projects
- Duct works & installation
- Ventilation systems
- Inspection, surveys & reports of existing installations

PLUMBING SERVICES

- Design & installation of plumbing, drainage and sanitary systems
- Pump & tank installation
- Complete piping works
- Sanitary wares fixing
- Sewage treatment plants
- Water treatment plants
- Potable water booster systems
- Testing and commissioning

FIRE FIGHTING SYSTEMS

- Design, installation and servicing of firefighting systems
- Automatic sprinklers / wet riser / dry riser / fire pumps
- Foam systems
- Fire alarm & high sensitivity smoke detection (HSSD)
- Emergency lighting (self-contained, monitored & central battery)
- Fire water tanks
- Testing and commissioning

ELECTRICAL, INSTRUMENTATION & AUTOMATION

- Electrical engineering (design & product selection)
- Installation of electrical panel systems like MDBs
- Panels, SMDBs, DBs / capacitor banks
- BMS installation
- Busbar system installation, cable laying & termination works
- Electrical containment systems
- Low current & low voltage systems
- All kinds of process instrumentation supply, installation and testing
- Process automation – PLC, RTU, SCADA supply and installation

SOLAR INSTALLATIONS

- Separate inverter mounting stand
- Longevity of inverter life due to air gap
- External fuse box for inverter protection
- MC4 connectors of Staubli make
- Earth strip using insulator and sleeves
- Fire fighting system
- AC cable sizing with voltage drop less than 2%
- External protection AC side SPD
- Switchgear using branded makes
- Module alignment using laser equipment

CLADDING, CONSTRUCTION & RENTAL

- **Cladding & façade systems** – ACM panels, glazing, aluminium fins
- Façade supply, fabrication & installation
- Building construction & civil works
- Fit-out and renovation contracting
- Heavy & light lifting equipment rental
- Transportation equipment rental
- Power equipment rental
- Construction equipment rental

OUR PROJECTS

Selected projects delivered by **Gulf Green Eye Est. (GGE)** in the Kingdom of Saudi Arabia.

CIVIL & STRUCTURAL

- Ewam Al Khuzam Villa
- ALPLA
- TTC – Jafurah

MEP & HVAC

- Strong Steps – Fadhili Gas Plant
- SINSA
- Safwat Al Khaleej
- Grill House

FENCING

- TEMCO – Jubail

PORTABLE CABINS

- TAFGA – NEOM to Tanajib
